

RIPPLES

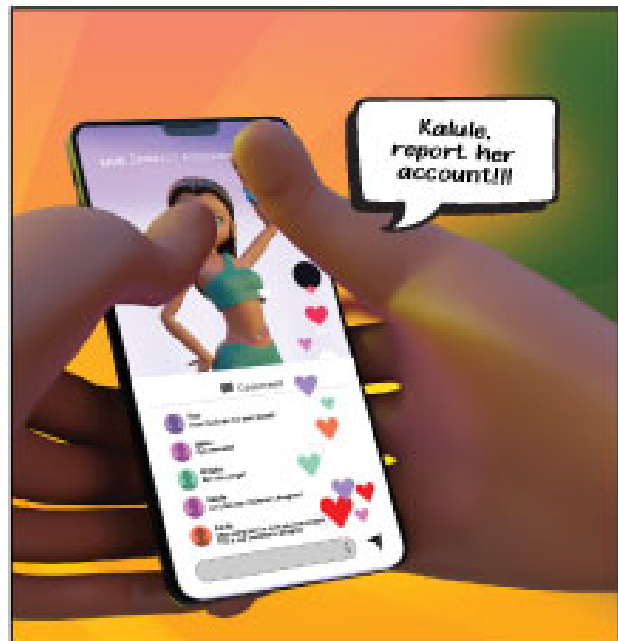

How can she put on waist beads and post such a scandalous video? Eeeh????

Ooona
leero, she
will
learn!

Kalule,
let's go
before the
live ends.

Hurry
up! We
need this
evidence.

Kuu
Kuuuuuuuu
Kuu
Kuuuuuuuu

Chairman,
please, we have
to do something
about this
behavior.

How will the
community look at
you after they find
out about this?

We shall
not elect you for
next elections
if you don't do
anything.
We must teach
Zaabu
a lesson.

I thought
Zaabu was
a good friend to my
daughter.
Naye what
is this?

We have
to do
something.

KEY MESSAGES

1. Digital rights are human rights. All Ugandan womxn have the right to access and use the internet safely and securely.
2. Cyberbullying and online harassment are real issues that affect womxn in Uganda. Womxn should know their rights and take action to protect themselves.
3. Privacy is a fundamental right that should be protected both online and offline. Womxn should be aware of the risks associated with sharing personal information online.
4. Education and advocacy are powerful tools for creating a safer online space for womxn in Uganda.

About HER Internet;

HER Internet is a feminist led organisation that advocates for the digital rights and internet freedoms for communities of structurally silenced womxn.

Our vision;

An equal and just internet for all womxn
restoring their agency as their own agents of social change.

Our mission;

Equipping womxn with digital literacy and cyber security information and skills for increased and safer online engagement, while contributing to the objectives of the feminist movement
